

Enhance of Lifelong Learning Cross Border Capacity

PROJECT FINAL CONFERENCE AGENDA

Data: June 3, 2011

Time: 9:30 – 16:00

Address: Ventspils University College, Inženieru Street 101, Ventspils, Latvia

Auditorium: 1b

Moderator: Valdis Avotiņš, Director of the Engineering Research Institute “Ventspils International Radioastronomy Center”

Conference languages: latvian, lithuanian

9:30 – 10:00 *Registration and coffee*

Opening Session

10:00 – 10:10 Welcome

Jānis Eglītis, Rector of Ventspils University College

Jānis Vītoliņš, First Deputy Chairman of Ventspils City Council

Ārija Konstantīnova, Adviser of the Minister of Education and Science of the Republic of Latvia

10:15 – 10:30 Lifelong learning perspectives in Lithuania

Representative from the Ministry of Education and Science of the Republic of Lithuania

10:30 – 10:40 5L project contribution to the development of lifelong learning (LLL) in Kurzeme and North - West Lithuania cross border territory

Kristiāns Godiņš, Head of Kurzeme Planning Region Administration, Chairman of the 5L Project Steering Committee

Lifelong learning policy

10:40 – 10:55 Topical Issues on European Credit Transfer and Accumulation System (ECTS) Implementation

Prof. Vaidutis Laurenas, Vice Rector of the Klaipeda University

10:55 – 11:10 Main characteristics of assessment and recognition of learning outcomes acquired in various learning environments

Birute Jatkauskiene, Head of the Andragogy Department of the Klaipeda University Consulting Studies Institute, 5L Project Specialist in methodology

11:10 – 11:25 Experience of Ventspils University College in creation of basis for recognition of non-formal education and in-formal learning

Prof. Jānis Vucāns, Leading Researcher, 5L Project Educational specialist, Ventspils University College

11:25 – 11:40 Information and communication technologies (ICT) in Lifelong Learning policy

Danguole Rutkauskiene, Director of the Kaunas Regional Distance Education Study Centre at Kaunas University of Technology, member of 5L Steering Committee

11:40 – 11:55 *Coffee break*

LLL role in Entrepreneurship

- 11:55 – 12:10** The role of LLL in early stage entrepreneurship development: Ventspils case analysis
Valdis Avotiņš, Director of the Engineering Research Institute “Ventspils International Radioastronomy Center”, 5L Project Entrepreneurship policy chief specialist
- 12:10 – 12:25** Scientific competences for entrepreneurship and competitiveness development in companies
Birute Velykiene, Director of the Kaunas Regional Innovation Centre, 5L Project Manager in Kaunas

12:25 – 13:15 Lunch

LLL role in Engineering

- 13:15 – 13:30** Engineering skills development centre of the Klaipeda University
Valentinas Kartašovas, MSI Junior science worker in Klaipeda University, 5L Project Specialist of engineering skills training
- 13:30 – 13:45** LLL opportunities for the metalworking industry at RTU Liepaja branch
Andris Priževaitis, Lecturer of RTU Liepaja branch, Assistant of the 5L Project manager
- 13:45 – 14:00** Engineering training development within LLL
Egils Vītols, Deputy director of the Engineering Research Institute “Ventspils International Radioastronomy Center”, 5L Project Engineering specialist

14:00 – 14:15 Coffee break

E – learning tools and systems

- 14:15 – 14:30** E- learning at RTU Liepaja branch: Lecturers’ experience and students’ assessment
Jelena Jevsjukova, Associated professor in RTU Liepaja branch
- 14:30 – 14:45** Web 2.0 technologies in education
Daina Gudoniene, Kaunas University of Technology, 5L Project manager
- 14:45 – 15:00** Strategy of sharing of learning resources among cross-border institutions
Dalia Baziuke, Director of Distance and e-Learning Centre of the Klaipeda University, 5L Project Specialist of virtual learning

Closing

- 15:00 – 16:00** Round table discussion

Project partners:

Kurzeme Planning Region (Leader partner)

Ventspils University College

Kaunas regional innovation centre

Klaipeda University

RTU Liepaja branch

Kaunas University of Technology
